RE: Bryan Mosley v. Egg Harbor City, et al.  
Docket No. 1:22-cv-06489-KMW-EAP  
Our File: 2165-46

Dear Judge Pascal:

This firm represents the Defendants, Egg Harbor City, Egg Harbor City Police Department, Police Officer Alexander DeFeo and Police Officer Richard Carpo, in connection with the above referenced matter.

The undersigned attended the monthly meeting of the Statewide Insurance Fund last week on November 26, 2024 to discuss this matter with the Fund. Following the meeting, and on behalf of the Defendants, I do not believe that a further settlement conference would be productive at this time. Therefore, Defendants do not request that one be scheduled. Rather, I believe that it would be appropriate at this time for an amended case management order to be issued setting deadlines for liability experts and economist reports, and a dispositive motion deadline. Due to the anticipated complexity of the issues to be addressed by the liability experts, it is respectfully requested that the defendants be given sixty (60) days following the service of plaintiff liability expert reports in order to serve the defense liability expert reports.

Thank you for your courtesies with respect to this matter.
